

Prayer for February 2023

Gracious Heavenly Father, thank you for all that you do for us every day, whether we experience floods, fire, or sunshine. We thank you for the love of family & friends & especially your great love for us.

We thank you that you hear our prayers for the Ordination of Women in the LCANZ & we pray especially that the upcoming Convention of General Synod will vote positively for the proposals that support Women's Ordination in the LCANZ.

This has been a long & difficult road for many in the church, & there has been a lot of misinformation about what will happen if women are ordained in the LCANZ. Please open the hearts of all those who oppose women's ordination, so that they will see the benefits to the church that ordained women will bring.

We especially pray that any decisions made at Synod will not divide the church in any way at all, but will keep us all united in the one true faith. Our only desire is to spread the Gospel to everyone, where ever they might live.

Please encourage us so that we don't lose hope.

Your will be done, always.
AMEN
