

Prayer for March 2022

Holy Spirit of God, live in me, strengthen me and give me courage to be the helper, comforter, advocate and counsellor that people need. Inspire me to be there for people whom I meet and who want to know you and be supported by you. Renew us with courage and commitment so the women and men, whom you call, can be brave and follow your call. Take away the fear of preaching your message by the women and men you have called and turn the opposition into an opportunity to preach your message and grow your kingdom. In Jesus' holy and precious name, Amen.
